

### Prayer

*Almighty and all-merciful God,  
lover of the human race, healer of all our wounds,  
in whom there is no shadow of death,  
save us in this time of crisis;  
grant wisdom and courage to our leaders;  
watch over all medical people  
as they tend the sick and work for a cure;  
stir in us a sense of solidarity beyond all isolation;  
if our doors are closed, let our hearts be open.*

*By the power of your love destroy the virus of fear,  
that hope may never die  
and the light of Easter, the triumph of life,  
may shine upon us and the whole world.  
Through Jesus Christ, the Lord risen from the dead,  
who lives and reigns for ever and ever. Amen.*

### PRINCIPAL'S MESSAGE - Dr Darren Egberts

Yesterday, the College held the Semester 1 Academic Awards Presentation with students who achieved a Top 10 result for semester one recognised. It was fantastic to be able to welcome these students as well as their parents, grandparents and friends in person and for morning tea that followed. Congratulations to these students plus those who received awards for Language presentations and as Semester One Class Captains.

As part of the assembly, I spoke at some length to students about the 2022 College theme, 'Respect for Self, for Others, and for Creation'. Its message has particular currency for students following the very interrupted 2020 and 2021; many students are struggling in class and in the schoolyard to routinely demonstrate the respect for peers and for teachers that was second-nature prior to the pandemic. This issue is universal with students and young people challenged by the dislocation and uncertainty of long periods of remote learning and unsure of the social expectations of traditional onsite learning.

I encourage all parents, carers and families to have discussions at home on how students have experienced the return to the new normal of living with Covid at school and welcome any feedback on what this might mean for future educational provisions at Sacred Heart College.

### Staffing News

- We officially welcome April Cincotta to Sacred Heart College today. April will be teaching Junior Humanities as well as covering some of the upcoming staff leaves. Please make her welcome.
- Mairead Kennedy has tendered her resignation effective Friday 29 July. Mairead is moving fulltime to a position at the State Library of Victoria, a new role that she is very excited about. We thank Mairead for her support over the last year or so.

- Following Mairead's resignation, we have been fortunate to be able to employ Christopher McBrearty. Chris is a mature age early career teacher who has been teaching at Penola College Broadmeadows but was looking for a position closer to his family's new home in Woodend. Chris' teaching methods are in English, French and RE. Chris will start with us on Monday 8 August.
- Damien Coonan has tendered his resignation from Sacred Heart College effective Thursday 21 July 2022. We thank Damien for his service since 2017.

### Year 7 Enrolments 2024

Please find below, a short letter we have sent to be included in the newsletters of the six Macedon Ranges Parish Primary Schools.

The partnership between parish primary schools and local Catholic secondary schools such as Sacred Heart College is an important one. We share the same foundations in faith and recognise parents as first educators of children.

I am writing today as you make the fundamentally important decision of which secondary school is right for your daughter or son. I am aware that there are local independent schools that are asking for early enrolment commitments to guarantee places at Year 7. Given that, it is important to note that the criteria for enrolment at Sacred Heart College (and all Catholic secondary schools in the Melbourne Archdiocese) gives priority to students who are enrolled in a parish primary school. Students who have received the sacraments have a higher priority but we expect all students who submit an enrolment application by the closing date (Friday 29 July) and are enrolled at a parish primary school will be offered a enrolment place for Year 7 2024.

If you have any questions on this, please contact Mrs Denise Lawrence (Sacred Heart College Registrar) on 54211200 or [dlawrence@shckyneton.catholic.edu.au](mailto:dlawrence@shckyneton.catholic.edu.au).

### Online Meetings and Presentations

Given the substantial changes that have occurred over the last two years, we anticipate continuing to conduct many presentations, meetings and Information Evenings online. This format allows more parents and students to attend from the comfort and convenience of home.

However, access to the Zoom platform has become more expensive recently, so the College is exploring Microsoft Teams as the preferred online platform. Many community members may already be familiar with this format but we will be sending home some support materials next week.

Yours in Mercy,

Dr Darren Egberts  
Principal

### Enrolments Closing Soon.

Enrolments for Year 7, 2024 close on 29 July 2022.  
(students currently in Grade 5)

Contact the College Registrar for enrolment enquiries or download your enrolment application form via the College website.  
Don't miss our next College Tour: 10 August, bookings are essential.

## DEPUTY PRINCIPAL - STUDENT WELLBEING - Julie Mortimer

*Sacred Heart College is committed to promoting the safety, wellbeing and inclusion of all children.  
Further information about Child Safety at SHCK can be found on the College website.  
<https://www.shckyneton.catholic.edu.au/our-college/child-safe/>*

### Child Safe Week

This week the College had a specific focus of Child Safe. Each year, Sacred Heart uses the second week of term three as the time to inform and update staff, students and families on the different aspects of Child Safe. Child Safe began in 2016, and has been a Victorian development that came out of the recommendations from the Royal Commissions into Institutional Abuse. Other states have their equivalent, and it has been decided that there should be one consistent Child Safety approach across the country. This has meant some changes and additions to our Child Safe laws, with a greater emphasis on developing a safe and inclusive school culture that will empower students to speak up and report more easily incidents of abuse that may be happening either in their lives or in someone elses.

Next week there will be a Powerpoint presentation sent to all parents outlining the changes to Child Safe, which you will be required to acknowledge. Any questions you may have regarding this presentation, please direct to me at the College.

I would like to welcome back our Senior School students to Semester Two and I hope they had a relaxing break, taking time to recharge. Term Three offers a lot for each of the Senior year levels, with subject selection, student leadership for Years 10 and 11, and Structured Workplace Learning for year 10. While Year 12 continue their march towards the end of their secondary schooling, with the VCE students finalizing assessments, preparing for exams and starting the applications to University or other pathways. Our VCAL students are also working towards the completion of their certificates, then looking forward to traineeships, employment/apprenticeships. Term three is a busy, but exciting time.

# Semester One Awards of Academic Excellence

It is always a pleasure to recognise achievement. Our criteria for the Academic Awards at mid-year are:

- Overall academic excellence
- Dedication to study
- Strong work ethic
- Living Mercy Values

Students who received the awards were worthy recipients. This does not diminish the achievements of other students during Semester One, but we hope they aspire to be recipients of Academic Achievement Awards at the end of the year, and in following years. Congratulations to all the meritorious students.

We are lucky to have a real-life French student here at the College for the next four weeks. Artemis has come to us from Charente-Maritime (near Bordeaux) and is staying with family friends, Charli and Isabelle Shalders. She will be attending school as any other student would. Please make her feel welcome and make sure to have a chat to her.

*Hello! My name is Artemis Laue. I am 16 years old. I come from France and I go to a public high school. I am in Australia for one month. I am staying here at Charli's house. I am very excited and happy to be here. I cannot wait to discover the Australian culture and to see the differences with France.*

*The school systems are not very different, but I am curious to learn more about yours during the next few weeks. In France, we keep our bags in class and there are no laptops, we have to handwrite everything. We also have no uniform. The day is longer too: school begins at 8am and finishes at 6pm. On Wednesdays, school finishes at lunchtime. We don't have to bring our lunch. There is a 'self-service' where you tap your student card, which your parents have paid for. You have around 3 or 4 choices of dishes. You can also have an entree, a dessert, a piece of bread, a yoghurt or some cheese.*

*I look forward to knowing you and your country. You can come and say hello if you see me at school.*

MESSAGE FROM ELEVATE EDUCATION - *Paul Matthews, Head of Senior School*

**Upcoming Webinar for Parents from Elevate Education - *How to Motivate Your Child***

We're excited to announce that parents of our school have exclusive access to Elevate Education's Parent Webinar Series this year. Elevate works with our students, delivering high impact workshops on study skills, motivation, wellbeing, and exam preparation. By tuning into their webinar series, you will learn how to better support your children at home through reinforcing the skills they learn at school.

**Wednesday 27 July @ 6:30pm (AEST)**

***How to Help Motivate Your Child***

[Register for free here](#)

Here's what Elevate will be covering:

- What impact does praise and reassurance have on your child's motivation?
- What are the best types of goals to be setting with your child?
- How can you help your child create meaningful and lasting motivation?

The webinar is run **live online from 6:30 - 7:30pm (AEST)** where the presenter will share Elevate's key research and skills, and will conduct a live Q&A so you can ask them questions directly.

If you are unable to make the webinar, don't worry! If you sign up to attend, you'll receive the webinar recording on Thursday morning:

### MEDICATION SAFETY

Students are no longer able to keep medications in their school bags, lockers or on their person due to safety concerns. To ensure safe administration and storage of medications, any student requiring medication while at school must hand their medication into FIRST AID where it will be stored in a locked cupboard.

Medication needs to be clearly labelled with the students name and in its original packaging. All medication needs to be accompanied by a completed Medical Authority Form. A Medical Authority Form can be found on PAM and on the College website or via this link <https://www.shckyneton.catholic.edu.au/our-college/policies-and-forms> If you have any questions please don't hesitate to contact Health Centre Coordinator, Jalna Holmes at the College on 5421 1200

### MEDICATION AND CAMPS

To ensure safe administration and storage of medications, any student requiring medication while on camp must hand their medication into their homeroom teacher the first morning of camp. All medication needs to be clearly labelled with the students name and in its original packaging. All medication needs to be accompanied by a completed Medical Authority Form. A Medical Authority Form can be found on PAM and on the College website or via this link <https://www.shckyneton.catholic.edu.au/our-college/policies-and-forms>. If you have any questions please don't hesitate to contact Health Centre Coordinator, Jalna Holmes at the College on 5421 1200

Our College ensembles are a crucial part of our Instrumental Music Program at Sacred Heart. They rehearse weekly, and perform a number of times each year. Participation in the College's Annual Ensemble Concert teaches students the skills of making music with other people, which is a very different skillset to simply learning their instrument.

On Thursday 28 July all ensembles will perform at our Annual Ensembles Concert. All performers are required to be at school no later than 6:40pm, wearing full College uniform. The concert will commence at 7:00pm in the Mary Moloney Theatre. All members of the wider College community are very welcome to attend.

Throughout the day, all performers will be required to attend a rehearsal in the theatre to familiarise themselves with the performance environment and protocols. Students will be forwarded a copy of this schedule. Following the concert we will provide a light supper as an opportunity for parents to meet the Instrumental Staff, please join us!

For catering and Covid-safe compliance (due to venue capacity), we ask that all attendees register their attendance (and numbers attending) using the following link: <https://www.trybooking.com/CAOMP>

Please note that there is no entry fee for this event, and entry is general admission (i.e. not designated seating)

We remind attendees that current guidelines strongly recommend the wearing of facemasks when in an indoor settings.

We look forward to seeing you for what will be an excellent concert!

# NETBALL UNPIRES NEEDED

*Mr Damien Zanic*

We are looking for netball umpires for the upcoming Victorian School Netball Championships held at the State Netball & Hockey Centre on **Wednesday August 17**.

We will have three teams representing the school. Years 7/8, 9/10,11/12 and therefore each school is required to provide umpires.

Ideally we would prefer accredited umpires with a minimum of C badge, however we understand it is quite difficult to get umpires at the moment. Netball Victoria will approve for non badged umpires to attend, providing they are capable of umpiring. If you are able to assist please contact Mr Zanic on

## 9A English responses to the documentary 'One Day in Auschwitz'

Eliza 9A

Soulless, empty eyes filled with dread  
Corpses piled high, ravens feeding on the dead  
Torture and strife plague those that are left  
As their strength is sapped away,  
their minds bereft  
There is no hope for those already gone  
There is no light where the darkness is born  
Evil is evil, good is evil in disguise  
For those that seem fair are just  
planning your demise  
In a world without trust, hope or light  
All that is left is horrors of men that stalk the night

By Jack B

### **A day in Auschwitz**

A place weighed heavy with silent agony  
The silver mist traps the echoes of the lives lost at this camp  
Of the happiness wrenched from the innocent  
Of the horror that took its place

A woman wise and elderly treads the steps she's walked before  
With the courage to speak up to others  
To tell her painful tale that rattles even the bravest to their  
core

She tells her story so the world will know  
That she utters the truth  
Though it's hard to take she must partake  
In acknowledging the tortured bodies buried below

What was done here was not human  
It was the merciless tormenting of the pure  
Till their once joyous lives suddenly halted at a grim, abrupt  
conclusion

They were treated as animals, so when their bodies could  
support them no more  
Their corpses were discarded of disgracefully  
Seeping into the ground to linger forevermore

The Jewish, Polish the Austrian  
Packed into heaving trains  
Spilling out onto the grimy ground  
A giant thrumming mas  
A sense of false security  
Turned swiftly to harrowing pain

Dehumanised like vermin, treated nothing more than scum  
Millions wasted in this gruesome camp  
The way that people were stripped of humanity  
It makes me numb

Why would we go back here ?  
To such a terrible place  
Why would we mention one of the human races  
Most Grim and Grave mistakes  
Why can't we just keep it hidden?  
To not feel the guilt and pain

Why?  
Because if we don't remember it could happen again.
