

Sacred Heart College Student Leadership Structure

The Student Leadership structure at Sacred Heart College Kyneton provides the opportunity for students to pursue an area of interest that will strengthen the Sacred Heart College community and culture, while catering for and developing individual talents and passions.

The Senior College Cabinet is replicated at the Junior school level, providing an avenue for leadership experience and succession planning throughout the school. The elected members of the Junior Cabinet are titled Junior Captains and Junior Leaders, and they will liaise with relevant staff and Senior Captains. All Cabinets are supported by an appropriate staff member. These staff will currently be in roles associated to the Student Leadership area.

The College Captains will convene a combined Senior and Junior Cabinet gathering once per term to set the goals for the term in each of the areas. They will also work with the Junior Captains and the Cabinet Captains at the Senior level, who will then work with their Junior counterparts to plan activities and events and to discuss student related College issues.
